---

Source BIS Shrapnel - Mining in Australia (released May 2016)

---

---

Mondium brings together the complementary strengths, resources and experience of Monadelphous multidisciplinary engineering and construction capabilities with Lincod's technical expertise and minerals project delivery.

- Mondium will provide a new EPC offering to the minerals market both locally and overseas
- Well placed to take advantage of increasing customer demand for lump sum turnkey/EPC style contracts
- Currently pursuing tender opportunities in the minerals processing sector
- Key milestone in the Company's growth and diversification strategy
